

## **Security Alert – Fraudulent Email and Website Address Impersonating MUFG Securities Asia**

A third party has recently set up the domain **mufgsecuritiesasia.com**. They may use this to impersonate emails from MUFG Securities Asia.

Our official website remains at **<https://www.asia.sc.mufg.jp>** - any other links or address should not be trusted. Emails from MUFG are sent from **mufgsecurities.com** or **\*.mufg.jp** only.

Please be vigilant, check sender addresses of emails and the website domain name in your browser carefully. Do not click on links, open attachments or follow instructions from any domains not listed above. Report receipt of any emails from the false domain above to your local Information Security Team. For further enquiry, please contact your MUFG representative.
